

In the claims:

Kindly rewrite the claims as follows:

1. (Currently amended) Use of ~~the~~ an active molecule with the following formula:

where radical R = H or glucose, for the production of a composition designed to activate lipolysis.

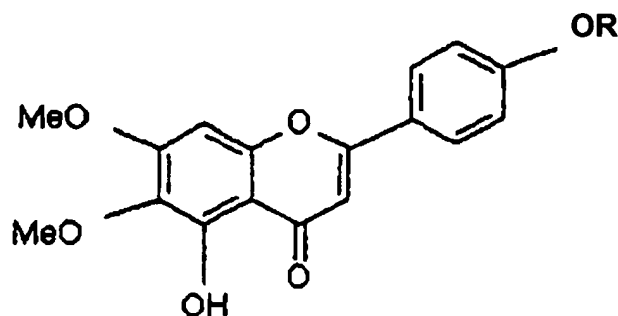

2. (Currently amended) Use as claimed in claim 1, ~~characterized in that~~ wherein when the radical, R, is a glucose molecule, the active molecule corresponds to cirsimarín.

3. (Currently amended) Use as claimed in claim 1, ~~characterized in that~~ wherein when the radical, R, is a hydrogen atom, the molecule corresponds to cirsimaritin.

4. (Original) Use as claimed in any one of claims 1 to 3 in a cosmetic composition designed for topical treatment of cellulite.

5. (Currently amended) Use as claimed in claim 1 for the production of a composition designed to stimulate ~~the~~ synthesis of components of the extracellular matrix.

6. (Currently amended) A cosmetic composition ~~characterized in that it contains~~ containing as its active ingredient ~~the~~ a molecule with the following formula:

where radical R = H or R = glucose.

7. (Currently amended) A composition as claimed in claim 6, ~~characterized in that wherein~~ when the radical, R, is glucose, ~~it is~~ the molecule comprises cirsimarin.

8. (Currently amended) A composition as claimed in claim 6, ~~characterized in that wherein~~ when the radical, R, is hydrogen, ~~it is~~ the molecule comprises cirsimarin.

9. (Currently amended) A cosmetic composition as claimed in claim 6, ~~characterized in that the wherein~~ concentration of the active ingredient[[s]] is between 0.0005% and 10% by weight.

10. (Currently amended) A cosmetic composition as claimed in claim 6, ~~characterized in that wherein~~ the active ingredient is in the form of a plant extract.

11. (Currently amended) A composition as claimed in claim 10, ~~characterized in that wherein~~ the plant extract ~~is~~ comprises an extract of *Microtea debilis*.

12. (Currently amended) A cosmetic composition as claimed in claim 10, ~~characterized in that wherein~~ when the extract is in dry form, it accounts for between 0.005% and 20% by weight of the composition.

13. (Currently amended) A cosmetic composition as claimed in claim 10, ~~characterized in that wherein~~ when the extract is in liquid form, it accounts for between 0.1% and 20% by weight of the composition.

14. (Currently amended) A cosmetic composition as claimed in claim 10, ~~characterized in that wherein~~ the extract ~~is~~ comprises an extract of a whole plant.

15. (Currently amended) A cosmetic composition as claimed in claim 6, ~~characterized in that it also contains~~ further comprising a xanthic base.

16. (Currently amended) A cosmetic composition as claimed in claim 15, ~~characterized in that wherein~~ the xanthic base ~~is~~ comprises caffeine.

17. (Currently amended) A composition as claimed in claim 16, ~~characterized in that wherein~~ the caffeine accounts for between 0.1% and 10% by weight of the composition.

18. (Currently amended) A cosmetic composition as claimed in claim 6, ~~characterized in that it also contains~~ further comprising a cosmetically acceptable vehicle.

19. (Currently amended) A cellulite treatment method ~~consisting in~~ comprising locally applying an effective quantity of the cosmetic composition ~~indicated in~~ of any one of claims 6 to 18, in topical application.
